WASHINGTON - Upon issuance of the court orders yesterday, U.S. Customs and Border Protection (CBP) immediately began taking steps to comply with the orders. Concurrently, the Department of Homeland Security continues to work with our partners in the Departments of Justice and State to implement President Trump's executive order on protecting the nation from foreign terrorist entry into the United States.

We are committed to ensuring that all individuals affected by the executive orders, including those affected by the court orders, are being provided all rights afforded under the law. We are also working closely with airline partners to prevent travelers who would not be granted entry under the executive orders from boarding international flights to the U.S. Therefore, we do not anticipate that further individuals traveling by air to the United States will be affected.

As Secretary Kelly previously stated, in applying the provisions of the president's executive order, the entry of lawful permanent residents is in the national interest. Accordingly, absent significant derogatory information indicating a serious threat to public safety and welfare, lawful permanent resident status will be a dispositive factor in our case-by-case determinations.

We are and will remain in compliance with judicial orders. We are and will continue to enforce President Trump's executive order humanely and with professionalism. DHS will continue to protect the homeland.
